Name of exporter and address:

Musterkunde zur Demonstration Exportzertifikate

Musterstr.

99999 Musterheim

Numerical link (*container no./bill of Lading-no./commercial invoice no..*):

number of pallets:

are manufactured, in the same way as particle board. After drying the wood at 300 F degrees to a moisture content of only 4 % , it is moulded in addition with synthetical binder under a pressure of approx. 1300 psi and 400 F degrees. This moulding process can not be survived by any living plant pests. Therefore these pallets are entirely composed of manufactured wood according to the international guidelines for phytosanitary measures IPPC-ISPM 15.

We confirm that these moulded particle board pallets are of processed wood so they are considered as sufficiently processed and totally free from any plant pests according FAO-IPPC-ISPM15!
